Implementation Strategy

Each demonstration site follows the ELCA model: **1. Domain-Specific Agents:** 6-10 specialized agents for the industry **2. Compliance Framework:** Industry-specific values, regulations, best practices **3. Human-in-the-Loop:** Automatic flagging for sensitive decisions **4. Transparency:** Visible compliance scores, bias detection, audit trails **5. Cost Optimization:** Intelligent AI provider routing, caching, rate limiting **6. Customization:** Each demo tailored to the specific organization's needs **Timeline:** 2-4 weeks per demo site **Cost:** \$5,000-\$15,000 per custom demo (one-time) **Hosting:** \$7-\$25/month per site depending on usage
